

Information to set up Direct Deposit and Electronic Payments (ACH)

Address: Cedar Point Federal Credit Union
22745 Maple Road
Lexington Park, MD 20653

ABA or Routing Number: 255077736

Name _____ **Account Number:** _____

For most of our members the account number is six digits. Some older accounts may have fewer digits. Do not use a suffix or check digit when specifying your account.

Special instructions for members with S28 or S38 checking accounts:
Please see separate instructions or ask a Member Service Representative for assistance.

Specifying checking or savings:

For Direct Deposits:

Most direct deposit forms will ask you to specify checking or saving. If you want your deposit to go to your S28 or S38, please see separate instructions or ask a Member Service Representative for assistance. If you want your deposit to go to a sub-share savings other than your S0 (i.e. S10), please contact a member service representative to set up a "payroll transfer" and we will automatically transfer funds to the account you specify.

For Electronic Payments:

Electronic Payments will be withdrawn from your S8 (checking) or S0 (saving) unless you identify your S28 or S38. Please see separate instructions or ask a Member Service Representative for assistance.

If you have questions, or need additional information please contact
